### New and Upcoming Books—

The Society has finally published *Tales of Wovoka*, written by the late Gunard Solberg. It is a major contribution to the scholarly literature of American Indian tribal history and prophetic and messianic religious movements. It is available in our gift shop for \$13.95. Members always get a 15% discount.

University of Nevada Press will be releasing the long awaited publication on the Grosh Brothers, based upon their letters. The Society and the Press will be having a joint celebration at the Society. Ron James will give a lecture and afterwards, Ron and Bob Stewart will be signing books. It is scheduled for October 13th. More to come.

...did you know that the Society collects historic and contemporary artwork by Nevada Artists for our Museum Art Collection?

3. Funds for reprinting our Kid's Activity Booklets—a free handout for visiting families—\$300.00

Did you know that we can write you a letter acknowledging your generous tax-deductible gift?

## Quarterly News

We are happy to announce that the Quarterly is in full production again. The Spring 2010 issue was mailed out on Thursday, July 19, 2012 out to our members, who had active memberships at that time. Here is the basic schedule we are looking at for the

remaining 2010 issues. Summer 2010 will be head to the printer will be out in early September and Fall/Winter 2010 will be out end in October. We would like to thank our members for being so patient. I would like to thank our staff, starting with Dr. Michael Green,

Editor-in-Chief for his valuable expertise and donation of his time; Hillary Velazquez, layout designer and managing editor, for helping provide additional organizational support and Juliet Pierson for her amazing copy editing skills.

## Collection News

The Society received two collections this past week. The first collection is a permanent loan by the *Nevada Women's History Project* Archives. A wonderful resource for researchers looking into women who played important roles across

Nevada. The second collection is a gift from the Reno 1st United Methodist Church. We received the churches marriage certificates dating back into the late 1930s into the early 1990s. This is a collection that will be an

looking into their family history. We are hoping to find unearth some prominent people who had spent time in the Divorce Capitol of the World.

## Museum Store News

Do you have a aviator enthusiast in your family? We have something that they will love. The Society received a generous donation of Reno Air material to sell in our museum gift shop. Juil and her intern

have put together gift bags and a display of items for sale. Items include scarves, ties, notecards, stationary, pins and other promotional material. We would like to thank Gary Leback and his family for this donation.
